Arden Engineering Constructors Announces Promotion of Katie Spatcher to Vice President of Service Sales

Pawtucket, RI — Arden Engineering Constructors is pleased to announce the promotion of Katie Spatcher to Vice President of Service Sales for Arden Engineering Constructors, where she will lead Arden Engineering's growing sales team.

Before becoming vice president, Spatcher served as a Senior Account Manager for Arden Engineering's service division.

Robert M. Bolton, the owner of Arden Engineering Constructors, hired Spatcher in 2004 after graduating from the University of Rhode Island with a degree in mechanical engineering. Since then, Spatcher has helped grow Arden's service division, providing customized, engineered building solutions and unparalleled customer service.

"Katie Spatcher has been a pinnacle to the success of Arden Engineering's service division over the years. We are delighted to announce her well-deserved promotion," said John Puniello, President of Arden Engineering Constructors.

Spatcher will start in her new position beginning July 1, 2023.

Arden Engineering Constructors, LLC (www.ardeneng.com) is an HVAC, electrical, plumbing, fire protection, building automation, mechanical engineering, and contracting firm headquartered in Pawtucket, Rhode Island. The company provides a full range of design, construction, and maintenance services for complex building systems, serving numerous clients in pharmaceutical, healthcare, higher education, commercial, and heavy industrial markets throughout New England.
